Wednesday 6th September

Dear Parents/Legal Guardians,

This year we will continue to provide a broad range of exciting and fun afterschool clubs for the children. Some of these will be back by popular demand such as craft club, gardening club and gymnastics club. There will also be some new clubs so watch this space!

Mindfulness colouring is one of the new clubs starting this half term. This is a fun and calm way for the children to end a busy day. Come along and enjoy colouring lots of interesting pictures with your friends!

To make things more time effective we have made some changes to how you will request a club for your child.

****Your child will need to bring the required amount of money in a separate and named envelope stating the club of choice.** This will work on a **first come, first serve basis**. If you are entitled to free clubs you will still need to send a named envelope, stating which club your child would like to join.

Please send in your form and the required amount of money by **Friday 8th September** (at the latest).

Please note that money is non-refundable if your child drops out of a club.

If you do **not** receive your money back you can assume that your child has secured a place. If your money **is** returned this means that the club is full.

Please remember to check your child's book bag!

Please see the schedule of afterschool clubs available overleaf (also available on school website).

Many thanks,

Mrs Maule
