Community Tree Planting
Tuesday 31st January 2023
1.30 - 3.30p.m.

We are committed to working on our carbon footprint and part of that is following a tree planting plan for our school grounds. We have been given 200 small saplings which we are going to start and plant. We would love it if any family members would like to join us on Tuesday 31st January 1.30 - 3.30. Please let the office know (or me directly on belinda.athey@whittingham.northumberland.sch.uk) if you would like to join us (please bring a shovel if you can too).
