Monday 12th March

Class 1 -Year 1 and 2 Trip Tuesday 20th March.

Dear Parents/Legal Guardians,

As part of our Science topic 'Living Things and their Habitats' we are going on an educational visit to Kirkley Hall Zoological Gardens on **Tuesday 20th March.**

This will be an all day visit - we will be leaving promptly after morning registration and return by the end of the school day.

The children who have school lunches will be provided with a school packed lunch.

The children will need to **wear school uniform with wellies/walking boots.** This is essential as we will be outdoors for part of the time and on a woodland walk if the weather is suitable. **The children will also need to be well wrapped up with a warm coat (ideally waterproof), hats and scarfs.** They will also need to bring a **little rucksack** so that they can bring their **water bottle** and a book (should they wish) to share with a friend on the bus journey.

As I am sure you are aware it is quite expensive to visit Kirkley Zoological Gardens. The PTA are heavily subsidising the cost of transport and school is subsidising the cost of the entrance fee and this is very much appreciated.

We kindly ask for a contribution of **£5.00** to cover the remaining cost of this visit which will provide a wonderful learning opportunity for the children. Please submit the requested amount of money for your child's visit via School Money. Pupil Premium children do not need to pay for this visit.

Please complete the permission slip below and return by Friday 16th March.

Many thanks,
Mrs Maule

I give permission for my child _____ (Name) to attend the trip to Kirkley Zoo on Tuesday 20th March.

Signed _____
