Dear Parent/Carer

NSPCC's Speak out. Stay safe. programme

As was discussed at our PHSE meeting last week as part of our ongoing curriculum for PSHE I am pleased to inform you that as part of our annual safeguarding and PSHE work we are participating in the NSPCC's Speak out. Stay safe. Programme this term. Speak out. Stay safe. is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse.

Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which we have reviewed, alongside NSPCC virtual workshops for children aged 6-7 and 9-11. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy

Parents and carers are asked to let school know if their child may have experienced anything (in the past or happening now) which may mean they need extra support before, during or after taking part in this programme

If you would like to know more about the Speak out. Stay safe. programme visit [www.nspcc.org.uk/speakout](http://www.nspcc.org.uk/speakout).

Feedback survey for pupils aged 7-11

The NSPCC would like to gather feedback from pupils aged between 7-11 about the Speak out. Stay safe. programme to gauge their learning. This will be voluntary and children can still take part in the programme if they don't take part in the survey.

- All survey questions are multiple choice and focussed on the programme.
- The survey is anonymous and confidential. However, if in the process of completing the survey, a teacher becomes concerned for a pupil's welfare (e.g., through something a pupil says) we will follow our school's safeguarding procedures.
- If you do not want your child to take part in the survey, sign the slip below and return it to your child's class teacher.
- If you have agreed that your child can take part in the survey but your child changes their mind on the day, that is also okay.
