C of E PRIMARY SCHOOL

May/ June 2026 newsletter

Welcome to our monthly newsletters for the 2025/26 academic year, which are a round-up of all the wonderful achievements, events and developments across our school recently.

Recent sporting events

Cricket

Across the last half-term, we were fortunate enough to have Tom Vickers come into school to deliver cricket lessons and an after-school cricket club. The children thoroughly enjoyed every session and we're very grateful to Tom.

Multi-sports events

Both Class 1 and Class 2 enjoyed lovely sessions at Alwick Town Juniors pitch recently with Michael and Sam, where we were able to take part in different multi-skills games. We worked well with other schools and not only developed our skills but we got to make some new friends at the same time. The children were fantastic as usual!

Countryside Day

We had a fantastic trip the countryside day at Wooler. We got to learn a lot about our local area and the different roles in our farming landscape. We really enjoyed hearing from different farmers, companies and emergency services. They gave us lots of lovely goodies too! We even got to try some vension burgers and peas.

Our Year 6 children

During last half-term, our brilliant Year 6 pupils completed their KS2 SATs and showed a fantastic attitude and effort. Once they finished their exams, they had two very special treats already: firstly we'd like to thank our wonderful PTA, who have once again paid for the Year 6 leavers hoodies. The children picked out their favourite colours and have been wearing them with pride ever since finishing their KS2 SATs.

The Year 6s also had several extra Forest School sessions, led by Mrs Manners. They created tie-dyed t-shirts, created a fire, made smores and burgers and whittled wood too.

Information links to the school website

Please see below the link to our school website where, amongst any other information, you can find the tab for our school news and calendar webpages for your reference. This will enable you to keep up to date with all the school-related activities and events that are happening.
