

Consent Form for School Trips and off-site activities

Please review, sign and return this document to the school office.

Name of Pupil:

I give permission for my child named above:

- a) to take part in school trips and other activities that take place off school premises; and
- b) to be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information before signing this form:

- Trips and activities covered by this consent include;
 - all visits which take place during the school week
 - off-site sporting fixtures outside the school day
 - all off-site activities for all children from Nursery to Year 6
- School will send you information about each trip or activity before it takes place.
- Please note that this does not include visits involving overnight stays or adventurous activities. We will contact you separately about such visits.
- You can, if you wish, let the school know if you do not want your child to take part in any particular school trip or activity.

Written parental consent will not be requested from you for the majority of off-site activities, for example, year-group visits to local amenities, as these activities are part of the school's curriculum and usually take place during the normal school day.
