3) **Panto feedback**
   Children really enjoyed it
   Great whole school treat
   Attended by some people from the village and 4 care home residents- positive feedback
   Company offered to return next year for the same price
   Consider booking them alternate years with a less expensive treat next year eg disco, movie night
4) **Spring disco**
   12th Feb
   JF to see if can source DJ equipment
5) **Discussed what to spend money on:**
   Ideally engage school families- ask for suggestions
   Money set aside for TEAM account
   Considered recurring expenses eg DJ equipment ?anything else
   Could use some money for school play costumes
   Technology expenses likely (school secured wind farm grant last term for some iPads)

Current sports grant has finished, has previously covered cost of bus transport to swimming. PTA not keen to pick up bill for travel in future
Most popular suggestion was £100 per term for each class to spend on resources chosen by staff and pupils
