Transition Visits and Keeping Our School Community Safe

Dear Parents / Carers,

We have several children who will be attending transition visits to other schools over the next few weeks. If your child has a visit to another school please could you administer a lateral flow test (testing kits available to parents at most pharmacies) and report the results via the NHS app, sending us a copy of the results before your child returns to school.

Whilst I appreciate this is another task for you to complete, it is important that we keep our whole school community as safe as possible and prevent any school closures at this point in the school year.

Thank you for support.
Best wishes,
Belinda Athey – Headteacher.

Headteacher: Mrs Belinda Athey
