

Week Three - Staying Safe

Activity time - Bring some spare clothes along as we make a splash in some fun water play activities.

Session overview - We will look at child safety, raising awareness of child accidents, and how they can be prevented. Odd bumps or scrapes are part of growing up, playing a role in how we learn about the world around us.

Singing and book session - Together we will sing some familiar songs and share story books

What is Great Expectations?

Great expectations is a parenting programme for parents/carers and their children. The parent and creche sessions aims to support children's speech and language development, whilst exploring children's routines, boundaries, behaviour and safety.

On arrival, prior to the creche commencing, parents must take part in a 20 minute activity with their child. Children will then have an hour creche session whilst parents attend course, before re-grouping for our 10 minute singing and book session.

Week one - Speech and Language

Activity time - Together with your child and staff we will make some hand puppets to help support your child's speech and language development.

Session overview - We will look at 'What is speech, language and communication' development and how we promote children's development through play experiences.

Singing and book session - Together we will sing some familiar songs and share story books.

Week Two - Behaviour and routines

Activity time - Bring your teddies along for a teddy bear's picnic and make a handprint placemat.

Session overview - We will look at daily routines and boundaries to help you understand and manage children's behaviour, whilst incorporating weaning your child off dummies and potty training tips.

Singing and book session - Together we will sing some familiar songs and share story books.
