Friday 9th March 2018

Important reminder - Please remember school office hours are 8.30 -3.30p.m. We are having some issues with our Internet at the moment so please contact school by telephone if you have any important messages.

Dear Parents/ Carers,

Welcome to our weekly blog. Today brings the start of British Science Week! Next week the children in school will be involved in some exciting science investigations and hopefully will be inspired to become scientists or engineers in the future! As always please do not hesitate to contact me if you have any thoughts and ideas about ways in which to make our school even better.

MUGA Update - We are just waiting to have confirmation from Councillor Steven Bridget that our Section 106 money is ready to be used alongside the other funding I have secured to pay for the MUGA. As you all know Steven has been extremely busy keeping our area updated about the conditions of the roads in snowy weather but if you are friends with Steven on Facebook you may like to join me in asking the question so that the MUGA work can start.

As the snow melts our school field now resembles a lake! Please ensure that your children have wellies and suitable coats or even waterproofs so that that clothes stay clean!

More Updates-

All schools are having problems with their school fields being waterlogged following the snow. So far 3 football matches have been postponed. I am working with other schools to try and re-schedule. Once we have our MUGA this will not be an issue.

Budgets for school - To enable us to plan our school budget and think about staff and Class Organisation for September please ensure that any children who may be in nursery in the future have applied for a nursery place as soon as possible.

Monday 11th March PTA meeting in school 2.15 p.m. Please join us.

Thursday 15th March Class 1 assembly at 2.30 p.m. Everybody welcome.

Friday 16th March 5-7 p.m. Easter Bingo.

Tuesday 20th March - Year 5 Roots and Shoots trip. Early Years Stay and Play. Class 1 trip to Kirkley Hall.

Double Decker bus! If you happen to know of anyone is selling a double decker bus please let me know. If you are intrigued and would like to know more please attend the PTA meeting!
