Further ways to keep in touch.

Dear Parents/Legal Guardians,

Our Teaching staff met today to further develop our remote learning resources for your children during the period of home learning for some of our pupils.

As was the procedure during Summer Term, staff will contact you regularly by telephone to have a chat regarding home learning and your child, to offer support and advice where necessary.

Please be aware that the call you receive may be shown as an unlisted number and if we are unable to reach you in the first instance, we will keep trying as it is important that we remain in touch. We will also send messages and communicate through Class Dojo or Tapestry.

We are aware that the children may like to keep in touch and communicate with their class teacher and classmates, so your class teachers will be in touch with you inviting your child to take part in a class google meet. If this is successful, we hope to make it a weekly occurrence and may develop it further such as hearing our children read and having class stories or debates.

Please be assured that this is all done following strict safety procedures and I attach a Google Meet Code of Conduct for pupils and instructions for you to share with your child and support them if necessary.

If you DO NOT wish for your child to be included in this, please contact me directly –
Belinda.athey@whittingham.northumberland.sch.uk.

Best wishes,

Belinda Athey – Headteacher.

Headteacher: Mrs Belinda Athey
