Operation Encompass PSHE Parent / Carer Workshop Wednesday 10th July 2019 at 2.30 p.m.

Dear Parents/Legal Guardians,

As you will know we have been supporting the Operation Encompass initiative in our schools for over a year now. Links have been developed and this initiative now employs members of staff to come into schools to support staff, children and families.

The Operation Encompass and Endeavour teams have worked with The PSHE Association, DFE, Barnardos and NSPCC to develop a Scheme of Work to be developed across Key Stage 1 and 2.

We will be using some of the resources in school and to help support us with this Laura is going to come into school and deliver a PSHE session to Year 5 and 6 on Friendships and Relationships. (Please see links below for the planning documentation that will be followed):

Following this session Laura will deliver a **Parent / Carer Workshop on Wednesday 10th July at 2.30p.m. in Class 3 for parents of all children in school** where she will share resources, answer questions and go through findings and key points regarding the lesson that has been delivered alongside answering any questions you may have about the initiative or its role in school.

The session is planned so it coincides with the end of the school day.

For further information please see the following links and also come into school where we will have a range of resources available for you to look through.
