

Whittingham PTA and Friends

As we start our new school year in our fantastic new Primary School, Whittingham PTA and Friends wanted to extend a warm welcome to you all and highlight some of our exciting events and ideas for the following school year.

How does it work?

Anyone can join the PTA or just come along to the meetings, we always need new ideas in our quest to raise as much money for our school. With Whittingham having just become a primary school there are plenty of things the school needs to make it even better and an extra income source is always welcome.

We try to change meeting times to suit everyone, some are through the day at school and others are in the evening at different locations.

If you aren't able to join the PTA helping out at one of our events or coming along to it is a great way to support us.
