Welcome to "Get Set Travel to Tokyo Challenge 2020"

Dear Parents/Legal Guardians,

As the countdown to the Summer Olympics in Tokyo starts we have joined a new programme which is being run by the British Olympic Association, a challenge called 'Get Set Travel to Tokyo'. This programme aims to inspire children aged 5–11 and their families to try new activities and get active together in the run-up to the Tokyo 2020 Olympic and Paralympic Games.

As part of this there is access to free classroom resources and the chance to win exclusive prizes, like sports equipment, games for the whole family and amazing experiences like school visits from Team GB and Paralympics GB athletes!

Each class has been set up with a class log activity page and during school time and at home they will be encouraged to log their activities.

To do this you will need to go to <https://www.getset.co.uk/log-activity>
