

Extension

Copy this poem onto lined or plain paper. Make sure your letters are consistent in spacing and size.

*Sitting on the board, the surfer prepares to catch
The biggest wave he can.*

*Some prefer to watch the sea as it offers its
Endless tidal teasing to the shore.*

Not him.

*The surfer lies in wait for the relentless surge to transfer him
From sea to land in a battle of balance and power.*

He will win.

Practising speed and fluency
