Dear Parents and Carers,

This week I have been amazed by the sensible and hardworking attitude of the children in school and the fantastic learning that you are all sharing with us on Tapestry or Class Dojo. Thank you for the positive feedback regarding our online sessions and how supportive you have been if the technology hasn't worked too well at first! Please remember that we will continue to stay in touch with you via google meet or through telephone conversations if your child is learning at home. We love doing this but we are also required to do this for attendance purposes. Our Education Welfare Officer contacts me each week to see if we have managed to have either face to face or telephone contact. If we are unable to do this; then as is their duty they be in touch with you so please do answer your phone and catch up with us, even if it is for a minute or two!

Please take care and stay safe.

Best wishes, Belinda Athey - Headteacher.

Pop Uk - Week 2.

Keeping your child safe online.

We may all be using the internet that little bit more at the moment. Please see a link to <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

There is also lots of advice and support about keeping safe during lockdown.

School Transport -

If your child travels to school by bus and the bus is unable to pick up your child in the morning please be aware that if you take your child into school it is usually your responsibility to ensure your child is picked up at the end of the day.

Please check with your bus company for their individual policies as I am aware that some bus companies may have a slightly different policy.

Please keep school informed of any changes to end of day arrangements.
