# Headteacher's Blog

**Friday 20th November 2020**

Dear Parents and Carers,

It is unbelievable how the days are passing and that we are heading towards December already! Firstly, may I thank everyone for being so supportive of school, following our numerous new rules and procedures. Well done to the parents and carers in the Class 2 bubble who have been Home Learning this week and also to any other children who find they need to stay at home in order to follow government guidelines.

There are a small selection of the children's photos on our Blog today but more can be found (and will be added to) by copying the link - [https://whittingham.eschools.co.uk/website/class\\_2\\_bubble\\_14\\_day\\_information/520746](https://whittingham.eschools.co.uk/website/class_2_bubble_14_day_information/520746)

If you find that your child needs to be off please either check our Home Learning Section of the School Website [https://whittingham.eschools.co.uk/website/home\\_school\\_learning/505507](https://whittingham.eschools.co.uk/website/home_school_learning/505507) or if you would like anything clarified please contact us either through Tapestry for Early Years children or Class Dojo for Classes 1-3.

Take care and stay safe.

Belinda Athey - Headteacher.

## Parent / Carer Survey.

Thank you to the 11 families who have returned the survey so far. I have extended the deadline for responses until December 1st as I would love it if every family could spare a few moments to complete the questionnaire and offer suggestions as to how we can make our school be the best it possibly can be. We also hope that if you do need to complete Home Learning that our provision is working well. Please let us know your thoughts and suggestions.

## Improvements to School

As you know, we have building work planned for the future. In the shorter term I am looking to remove and replace the playground markings at the front of school and will be asking the children for their own design ideas very soon.

*Thank you to everyone who completed a poppy decoration stone. Some of these are around our school playground, at Church or placed around the Ravensworth Memorial in the village. There are also more photos on our whole school photo gallery as well as our Facebook and Twitter pages.*
