Dear Parents,

Musical Roots

Alnwick Partnership Celebration Day

I can confirm that the above event will take place on Tuesday June 25th between 10.15 am and 2.30pm at the Alnwick Garden.

The event will take place just outside the Pavilion if the weather is good. If it is raining, schools will only perform in the pavilion so space will be very limited therefore there will be standing room only for parents. A decision will be made the day before on the weather and schools will be informed if it is the wet weather programme.

After talking with the gardens you will get a 50% discount on your admission by bringing this letter with you on the day. The gardens have also requested that cafe chairs cannot be used on the grass and taken from the cafe area therefore bring your own chairs and blankets to sit on.

As the timings for each session are fluent, if parents miss their child's performance we will not be able to reschedule the performances, please see the timings below which are a rough guide only.

Finally please enjoy the day, there will be information available on Music Partnership North on tuition and how they can progress in their musical journey.

Yours sincerely

Richard Johnstone Music Partnership North
