Wednesday 27th April 2022.

Dear Parents/Legal Guardians,

Wrap Around Care Provision and new opportunities for younger children from September 2022

Now that we have returned to 'normal' after the pandemic, as part of our commitment to the development of opportunities for our children and families offered by school, we would like to hopefully return to more after school (in addition to our already successful lunchtime) provision and move forwards, providing additional out of school opportunities if demand requires it.

Following the popular uptake of Nursery drop off and pick up times being extended we intend to continue this from September.

The new, out of school time options are as follows –

Breakfast Club- For children in **Nursery class to Year Six** we are looking to offer a Breakfast Club from **8.00a.m.**

This would take place in school and would be open from 8 a.m. The children would be looked after until yard duty starts at 8.40 a.m. They would be given breakfast consisting of toast or cereal and juice. The expected cost would be **around £3.00. The cost of this may increase or decrease depending upon uptake.**

After School Childcare Provision – This would be open from 3.15 –5.30 pm costs would be around £3.50 for the first hour and £7.50 for the full session. **This cost may increase or decrease depending upon uptake.**

Forest Schools Stay and Play Toddler Group (Led by an accredited Forest School Leader)– The day for this would depend on popularity and staffing, likely being 9.00-11.00 and approximate cost of £4 for the first hour, £7 per child in total if staying until 11 (sibling discount may apply). **This cost may increase or decrease depending upon uptake.**

Forest Schools 2-3 year olds session – The day for for this would depend and the timing would likely to be 1.00- 3.00 and probably cost £10 per child. **This cost may increase or decrease depending upon uptake.**

It would be extremely helpful if everyone could return by email or paper copy this consultation form back to Whittingham C of E Primary School by Friday 22nd May. This will ensure that the School and Governing Body have a clear understanding of the needs of our family and local community and can plan staffing accordingly.

Kind Regards,
Belinda Athey – Headteacher.

Please complete as appropriate, your comments or further suggestions are appreciated
on the following page.

If this does not apply to you but you know someone who would be interested in this
service please pass on this letter.

Name of child (ren)

1. Breakfast Club
