

ONLINE SAFETY AT HOME

Join us for an informative chat about all things online safety, including:

- Your child's online world: AI, gaming, chatting, learning....
- The four Cs - helping you understand the risks.
- Small actions you can take to help keep your child safe online.
- Where to go for further information and support

This session will take place online via a Microsoft Teams link you can get from your child's school. All cameras and mics will be set to off by default to ensure your privacy.

There will be an opportunity to ask questions via the chat facility and we'll provide a handout at the end of the session full of useful links to further information on key topics.

Choose from: Wed Nov 26th - 3.45pm,
Tues 10th Feb 7.30pm, Tues 16th June 7.30pm
