THE COLGATE® ORAL CARE RECYCLING PROGRAMME

TerraCycle® and Colgate® have partnered to create a free recycling programme for all oral care products and packaging. Each unit sent will enable members of the programme to earn TerraCycle® points which can be redeemed into financial donations to a school or a charity.

To sign up to The Colgate® Oral Care Recycling Programme or to find your nearest public drop-off location, please visit www.terracycle.co.uk/colgate.

Years 5 and 6 at Whittingham C of E Primary School were asked by Whittingham Show Committee to design a new logo, which would be used for branding for the show. The children spent time researching events which take place at the show, as well as the history around the village show, which they used to influence their designs. The winning design, by Elizabeth Hedley was chosen because of it's simplicity. However, the standard was so high that the committee chose another 3 designs to use on posters for the show. Children were presented their prizes (Amazon tokens) by Mr Chris Durie and Mrs Jacqui Lillie from the Whittingham Show Committee.

*Thank you to Morrisons, Alnwick for donating water and fruit for our football tournament.
Thank you to Manners, Battle Bridge for sponsoring our participation medals and to Sportsworld, Alnwick for their help with strips (kindly sponsored by Lycetts, JG Cowens and CBS Business Supplies) and medals this season.*
