Monday 2nd June 2025.

Y6 PE transition session at DCHS on Friday 13th June 2025.

Dear Parents/ Caregivers,

As an additional part of their transition programme to the Duchess Community High School (DCHS) our School Sports Co-ordinator Haydn has organised a sports session based around team work and transition at DCHS on Friday 13th June.

Each school in the Alnwick Partnership has been allocated 10 spaces each and we are fortunate in that 9 of our year 6 group will be attending DCHS in September so we can allocate each of these pupils a place.

We will have an early lunch in school and then travel by minibus to DCHS where we will take part in some sporting activities as well as a look around the school. We will return in time for usual end of day arrangements.

Please can your child wear their PE kit, including trainers, cap, bring a water bottle and showerproof coat. No earrings or watches to be worn please.

We have a limited amount of funding left in our Primary Sports Fund Budget so there will be no charge made for this event.

Please note, if your child is not going to DCHS in September then your child will attend Whittingham as usual on this day.

Mr Charlton will be in touch regarding the usual transition arrangements and information shortly.

Best wishes,

Belinda Athey – Headteacher.
