CORONAVIRUS
STAY HOME
PROTECT THE NHS
SAVE LIVES

Friday 22nd January 2021

Dear Parents and Carers,
Hoping you are keeping safe and well. Thank you for your continued support this week, everyone is doing a fantastic job; both at school and at home. Just to clarify, we are not closed and teachers are involved in teaching lessons to those children who are in school each day and if there is a delay in responding to a message this is the reason behind it
Please take care, stay safe and be kind to yourselves and each other.
Best wishes, Belinda Athey - Headteacher.

More Online Learning - Saving lives through education.

This public access version of StayWise brings together many educational resources from the emergency services and voluntary safety organisations so you can easily find trusted resources to help with home schooling linked to age groups, themes and curriculum areas. We hope this helps to bring learning to life, in a fun way, in these difficult times.
<https://staywise.co.uk>

Miss Dick has also shared with me an online First Aid course your children can be involved in. It's really practical and sessions are recorded so you can view them at a time that suits you -

Sumdog Winner 1st place Tilly, 2nd Place Freddie and 3rd place Luca.

NSPCC

NSPCC Assembly

Throughout the year we usually have different visitors to school to deliver assemblies. Here is an assembly from the NSPCC that has been created during lockdown. <https://youtu.be/qm0kccbZpYY>

Virtual Reading Library.

Last Friday I sent out information and a Parents Guide so that all children in Year 1 -Year 6 can read virtual reading books and keep quizzing on them, ensuring that their reading progress continues. I have heard some fantastic feedback. Please ensure your child is using this. If you need some further support contact your class teacher and they will be glad to help!

Modern Foreign Languages

For a while now we have been looking for a way in which to enhance our MFL provision. Historically we have taught a combination of French and Spanish in KS2 in readiness for DCHS. We would like to extend this provision as a 'virtual' After School Club. Please see letter from me with full details to all KS 1 and 2 children.

Fun at home and school.

A small selection of photos from this week are pictured below. Please see your child class home learning page for more.
