Whittingham C of E PRIMARY SCHOOL

Dear Parents/ Carers,
Welcome to our weekly blog. Please don't forget to contact school with ways in which we can make school even better!
Kind regards, Belinda Athey - Headteacher.

What a week!

The children in Class 2 and 3 enjoyed a visit to the Gurdwara in Newcastle and we were warmly welcomed by Cloud Singh and Angela who give us an interesting insight into their place of worship and then treated us all to a delicious meal. At the Baltic, the children were then inspired by the artwork of our past pupil, Peter Hamner who is currently exhibiting there. Thank you to everyone who came to help us have a wonderful day out.

Children across the school enjoyed experimenting and investigating in British Science Week this week.

Well done to Class 3 and their voluntary work litter picking around Whittingham and to the adults who joined in too.

Reminders - *Please see letters or school website calendar for further details.*

Well Done!
