

Whittingham C of E Primary School Primary Sports Funding Spending Plan 2024 - 2025- £16,860 allocated

'Primary schools are encouraged to use their PE and Sport premium funding in a way that has sustainable impact for all pupils'

Amount	What we will do	Why we intend to do this	What is the impact to date? Review July 2025
£4941.61	Purchase x 4 5 a side movable good quality football goals and nets. Purchase padlocks etc to ensure they remain secure	We have created a mini league with the AIn Alliance Schools and within this there is a mixture of team matches and tournaments. When we hosted the last tournament in the Summer Term we had to use temporary poles as goalposts. We also have re-introduced mixed and girls only football training sessions and purchasing 2 sets would be greatly beneficial.	
£10,000	<p><i>Primary schools are encouraged to use their PE and Sport premium funding in a way that has sustainable impact for all pupils</i></p> <p>Contribution towards staffing the afternoons, enabling HLTA to deliver PE across the year to the whole school. 2 X Dance Days for KS 2 with META 4 DANCE.</p>	<p>A significant amount of our Primary Sports Budget over the years has been used to provide further training in PE for our HLTA. This enables her to take PE across the school and work closely with the HT who is also the PE co-ordinator.</p> <p>Using Primary sports budget enables this to continue and build upon the achievements of the last years.</p> <p>One area that needs further CPD is dance so the HLTA will work alongside the company for both days and then access any further training afterwards.</p>

£1000 –	Full subsidy of transport to festivals and sporting competitions.	So that as a rurally isolated school we are not disadvantaged due to our location and can attend sporting events freely without asking families for contributions at this time of particular economic hardship.
