

WHITTINGHAM 'EUROS'

Whittingham
C of E PRIMARY SCHOOL

On Friday 18th June two of our countries within the United Kingdom will be playing one another - England versus Scotland in the football competition called The European Cup.

To celebrate this throughout the day each of the class bubbles will be having their own mini tournament or skills session. Please come into school dressed in either your PE kit or sporty clothes which incorporate either (or both) the team colours of Scotland or England. Please make sure you are wearing your trainers too!
