Dear Parents, Carers and Friends,

This week sees our Government set out their 'road map' for recovery. Staff have continued to work hard continuing to deliver our blended learning model as well as prepare for the return of all pupils on Monday March 8th. In the meantime, please continue to keep yourselves safe so that when we do re-open we hopefully avoid bubble closures. We have lots of fun planned for the children's return including a Silent Disco in their class bubbles, World Book Day on 12th March and National Science Week Activities. We will be discretely assessing the children who have not had face to face learning and developing our support programme which is both academic and well being based from this. Don't forget to ask your children to complete their back to school wellbeing survey so that we can ensure everyone is happy to return to school and we are aware of any changes there may have been while they have been off. Please remember, we are all here to help support families and if you have any queries or concerns message us on Tapestry, Class Dojo or myself via the school telephone or my email - belinda.athey@whittingham.northumberland.sch.uk

Best wishes, stay safe.
Belinda Athey - Headteacher.
