

### Ford Castle - Things to Bring

Here's a list of things you'll probably need for a typical stay at Ford Castle. Don't bring too much, remember you will have to carry your own bags and take care of your belongings.

Please remember also that things can get lost, so don't bring anything that is expensive or that you really treasure.

As you pack your bag at home, tick off each item that you put in and then do the same when you leave the castle to come home.

Make sure that everything you bring with you is clearly marked with your name and your school's name.
