

*Lest We Forget - During the Autumn Term the children will continue to remember and commemorate 100 years since the end of World War 1.*

*We would like to make a display in school incorporating poppies as our main theme. We would like the children to be involved in making them. Some poppies will be made simply with paper or card, others we would like the children to knit, crochet or sew felt. This is where we would like your help . . . If you are able to spend an hour or two on Friday afternoons from Friday 7th September to come into school and help teach small groups of children how to make poppies please contact school on 01665574222 or message us on Whittingham C of E Primary School Facebook Page.*

*We would also like to commemorate any local soldiers that fought in World War 1. If you are able to come into school and talk about a local relative who fought in World War 1, share photos and letters with the children that would really bring this project to life! Please help - Whittingham C Of E Primary School needs you!*
