Monday 4th September 2017

Dear Parents/Legal Guardians,

I am looking for helpers to come to Willowburn Sports Centre with us on Mondays. If a few people were able to volunteer then I would be able to draw up a rota, as I appreciate that it is difficult to make a weekly commitment.

This year we will be leaving school at approximately 12.30 p.m. and returning to school by 2 p.m. You would be required to help in the changing rooms of the swimming pool and then sit with any non-swimmers in the viewing area next to the pool as well as general help with lining up and getting children on and off the coach. Occasionally you may be needed to support children during the P.E lesson.

It would be helpful if you have a DBS check for our school but we can easily organise this and this should not stop you from volunteering.

If you would like to help us with this please complete the form below and return to school as soon as possible.

Many Thanks
Mrs Fortescue

I would like to help at Willowburn Sports Centre on Monday afternoons.

Name: -----

Please indicate below how often you can help

- Every week
- On a rota basis
- Other – please specify
