

# Headteacher's Blog

Wednesday 22nd April 2020.

Dear Parents/ Carers and Friends of Whittingham Primary School,  
Welcome to my Headteacher's Blog. I hope you are all safe and well and able to enjoy the sunshine from your outdoor spaces. We have found an increase in numbers of key children needing care at school this week. Where there are more children we will look to splitting the children up and working in age appropriate groups so that we can keep safe and maintain a discreet safe distance.  
If you follow the school Facebook Page you will see that most days there are posts with information, support and ideas. I would encourage you all to look at this page. However, I appreciate that some families may not be able to do so. If I feel there are particularly important information to share with you this will be still sent out in a letter which will be emailed to you. If there are some time relevant interesting items I will bring forward the date of my weekly Headteacher's Blog or send out more than one each week so please check your emails. There has been lots to share with you already this term so I hope you find my Blog helpful.  
Take care, with very best wishes.  
Belinda Athey - Headteacher.
