

## **Equality Objectives 2021 – 2025**

At Whittingham C of E Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers, irrespective of race, gender, disability, belief, religion or socio-economic background.

The global pandemic, over the past year has had a great impact on our society and therefore we have decided to set objectives for one year in the first instance:

In order to support pupils on their return to whole school, raise standards and ensure inclusive teaching, we have set the following objectives:

### **Equality Objectives 2021-22 (COVID Pandemic Specific)**

Objective 1: To ensure that any gaps in learning from the global pandemic are addressed.

Objective 2: To ensure children's physical and mental well-being is supported.

Objective 3: To ensure parents and families feel supported if there is the need to learn from home again, to review levels of parental and pupil engagement in learning to ensure equity and fairness in access and engagement.

### **Equality Objectives 2022- 25**

Objective 1: To monitor and analyse pupil achievement and act on any trends or patterns in the data that require additional support for pupils.

Objective 2: To ensure that despite our small size and rural location our pupils have opportunities to broaden their understanding of the wider world through visits, visitors and an engaging and relevant curriculum.

Objective 3: To ensure that our children are taught to continue to enquire, question and learn through practical activity, fostering a love of lifelong learning.
