

Please sponsor our running track!

Our school is immensely proud that we take part in The Daily Mile. After fundraising with the PTA and Bag Packing in Morrisons we are almost ready to start construction of our running track!

Laura Weightman has kindly agreed to open our running track in October and for our final push we need your help!

We need 100 tonnes of sub- base which is £18 per tonne. Would you (or a local business like to sponsor a tonne or more?)

Please share on Facebook and comment on our page or ring school and ask for Belinda Athey- 01665574222.

Many thanks in advance!
