Parent and Pupil Surveys - Feedback

Dear Parents / Carers,

As you may remember back in November you were asked to complete a Parents Survey.

I fed back the ways in which some of the areas to develop were being addressed in subsequent HT Blogs and now am ready to let you know how we are addressing the final few pointers:

- We have reintroduced Parent's Workshops.
- We are busy re-modelling the school and building extra workspace so that children have more internal space to learn.
- We continue to commit to additional teaching assistants across the school to support lessons and deliver extra support.
- We are now looking to consult with you about our homework offer and would like to invite you to a consultation meeting on **Tuesday 21st March 3.30 - 4.30 p.m.** Everyone is welcome and there will be childcare available for school aged children.
- We also regularly ask the children as to what they feel is working well and what they feel we could do better. The 'minutes' from the last pupil voice held with Class 2 and 3 on Thursday can be found attached to this letter.

As always, please do not hesitate to contact school if you have any thoughts of how we could continue to improve and also the things that we do that you really enjoy or would like to see more of.

Best wishes,
Belinda Athey - Headteacher

Headteacher: Mrs Belinda Athey
