

Headteacher's Blog

Friday 28th September 2018.

Dear Parents/ Carers,

Welcome to our weekly blog as we head towards the end of September.

As always, please do not hesitate to contact us by email, in person or telephone if you have any suggestions for ways in which we can make school even better! I look forward to seeing you all in school across the school term.

Best Wishes, Belinda Athey - Headteacher.

Another exciting week -

Well done to the year 6 children who attended the NHS initiative, Roots and Shoots at Alnwick Gardens over the past seven months. During the celebration event the children sang a song which they composed with Mrs Chisholm about their experiences. It was so well received that the promotional team would like to come in to film the children perform it as part of their promotional materials so watch this space.

Sugar Tax Levy - Unfortunately my application for a grant from this fund for an outdoor learning space which would enhance our two year olds provision and also lead to us being able to fund our Daily Mile track has been unsuccessful so I am back to the drawing board! No updates either regarding our MUGA funding being released so I am glad to mention a positive outcome regarding our first ever Under 11's Girls Friendly Football League. The team played at St Michael's and it was fantastic to see such great determination, resilience and friendship amongst all the girls. Well done to everyone and thank you parents for supporting us. Our competitive element steps up a gear on Monday 1st October where we are part of the Girls Danone Football Tournament. Our mixed team has also now been chosen and fixtures start very soon.

Reminders and new dates for the diary -

Trips next week - Early Years to Morwick Diary. 15 Year 6 will be attending Stadium of Light Bring It On Science and Engineering Event on Tuesday also. There are Year 5/ 6 Football fixtures too (see separate letter).
