

Children's Christmas Shop

Every year the PTA help spread a little Christmas magic and set up their own Christmas Shop for the children to spend 50p or £1 to buy surprise presents for their friends or families. We really solely on donations of new or nearly new unwanted gifts or toiletries. We particularly find finding gifts for adults (men especially) tricky. If you have any unwanted gifts that could be used in this very special way please could you either:

Drop items off at Whittingham C of E Primary School NE66 4UP or if you live in Alnwick they can be picked up (message Whittingham C of E Primary Facebook Page or I can arrange drop off at our house in Alnwick).

Merry (not yet!) Christmas.

Belinda Athey- Headteacher, Whittingham C of E Primary School.
