

Weekly Headteacher's Blog

Dear Parents/ Carers,

Welcome back to school after the lovely, sunny half term holiday. As always, any queries, suggestions or questions are very welcome. Either by calling into the office, by email or by using the suggestions box located in the main school entrance.

Kind Regards,
Belinda Athey - Headteacher.

30 hours Free Entitlement

30 hours Free childcare for 3 and 4 year olds. Find out if you are entitled

www.childcarechoices.gov.uk

If you have a child who is entitled to 30 hours childcare for September please ensure the school office know.

Nursery places are filling up fast so if you have a baby or toddler please fill in an application form if you haven't already to avoid disappointment.

Bees

We came back from the half term holiday to find that white tailed bees

have made their home in the cladding at the front of school. As bees are dramatically declining it is important that we do not harm them but we are still fully aware of the health and safety of children, families, staff and visitors so bee expert Susie Hardy has made a safe route of passage for the bees to their nest and will be in school talking to the children about this project.

Reminders and information-

Week beginning June 12th is National Year 1 Phonics Test week. Please ensure your child is in school this week.

Cuthbert Family Lunch 14th June.

Sports Day Wednesday 21st June. As we are becoming a larger school in future we may need to host this event in separate areas which is tricky for families which have children in different age groups so this year we will start at an earlier time of 1 p.m to try to keep the event together as long as possible.

We had a record number of children who had 100% attendance last half term. Well done! Please remember that any holidays taken out of school time are unauthorised and that vital learning opportunities are missed each day your child is not in school.
