

Whittingham
C of E PRIMARY SCHOOL

December's newsletter

Welcome to this month's newsletter - a round-up of all the wonderful achievements, events and developments across our school recently.

A big thank you!

Thank you to Canny Clever Computing and Tech who kindly donated an Advent Calendar to each child in school! This generosity was greatly received by the children and really started getting us in the Christmas spirit.

Road safety

Road Safety Week saw children across school considering how we can be safer when using the roads, both as road users and as pedestrians. This included different types of crossings, how to be visible such as wearing bright clothing and using torches and use well lit paths as well as how we should cross the road safely, thinking about where we can be seen and have the best lines of sight. EYFS even put this into practice by using the yard to demonstrate crossings as shown in the photos below.

Our Christmas Fayre

Our Christmas Fayre this year was a lovely event! We have received great feedback about the fayre and we hope you enjoyed the event too. It not only put us in the Christmas mood but also helped to raise funds for our PTA to support our school. Thank you to everyone that helped either as a member of the PTA, helping with setting up, running a stall, clearing down or attending the event – your support for our school is massively appreciated.

Visitors for EYFS

EYFS were busy over the past couple of weeks with their current topic of 'When I grow up I want to be...' This saw several members of our school community engage with EYFS to discuss their jobs. Thank you to everyone that was able to come into school to support this. EYFS wrote:

We were lucky to invite some of our parents and school staff into class to talk to us about their jobs and that they were able to take the time to come in. We were really thankful and made each person a thank you card. We were visited by Mrs Abercrombie who is a doctor, Mrs Moralee a local business owner and celebrant, Mr Drummond as a local farmer, Mrs Osborne as a emergency healthcare assistant, Mrs Ling as a veterinary nurse, Mrs Arkle our school cook, Mr Manners local haulage business and Mrs Athey our headteacher. We found out lots about their jobs, you can see more on our early years class page.

From all the staff at Whittingham C of E Primary School, thank you for your continued support.

Mr Charlton – Deputy Headteacher
