

# Thank you

Dear Staff, children, parents and Governors,

I would like to say a huge thank you for all of your kind words and well wishes and also for the lovely presents you bought me. Some of the presents are in this picture – a beautiful infinity necklace, a tea set and a garden bench. I also received a lot of bottles and boxes of chocolates, as well as lots of other lovely keepsakes and video messages, and although it is only Monday I have already managed to consume some of them!!!!!!

I have loved working at Whittingham C of E Primary School for the past seven years, it is such a special place. I will miss you all! Class 2, I was adding extra pictures to our page on the website last week and looking through them made me feel so proud of each and every one of you. Hopefully when everything is back to normal I will be able to visit school and say goodbye to you all in person. Have a lovely summer holiday and see you soon.

Lots of love

from Mrs Fortescue
