before dinner

between April and June

Make up some sentences of your own which contain an adverbial.

Adverbials

with little success

in a sedate manner

in a heap of rubble

with no sympathy

even with her dad

without hesitation

Copy each sentence three times, each time with a different adverbial. You can use one of the phrases from the grey boxes on the first occasion, then you should can make up your own. Remember that the adverbial modifies one of the verbs in the sentence.

Example:
The bear was made to dance for the people.
The bear was made to dance in a sedate manner for the people.
The bear was made to dance for the people without making a sound.

Alice tried to run across the bridge before it collapsed.
