

Whittingham
C of E PRIMARY SCHOOL

Weekly Headteacher's Blog

Sarnia Guinea Pig Rescue is here to help any unwanted or neglected guinea pigs here in Guernsey, Jersey and the UK.

Sarnia Guinea Pig Rescue is raising money by recycling postage stamps. Whether they're British or overseas, new or used, send them to school and the charity will be able to turn your old postage stamps into funds that will allow the charity to care for the animals that call Sarnia Guinea Pig Rescue home.

Chicks in school - The journey continues.

We have had a great time watching our new arrivals hatch. We have now six chicks and the children have named them and are learning how to look after them whilst watching them grow.

Once again we are collecting vouchers. There is a collection point outside the school office so please do send any vouchers into school. Last year we were able to get a set of aprons to use in Food Technology so every voucher helps.

Film Night - The Pupil Voice have organised a Movie Night for Friday 31st March.

PTA Spring Fair - Please join us on Saturday 1st April.

Air Ambulance - Please start collecting your unwanted clothing for our Air Ambulance Collection. Bags will be sent home with children before the Easter Holidays.

Parent and Governor Workshop - Our next workshop is all about using our online learning system School 360 please join us.

Dukeshouse Wood - For children who will be in Class 3 next year (Years 5 and 6) reply slips were due in today so we will be able to let you know if there has been sufficient interest for this trip to go ahead next week.

Ford Castle - Please don't forget to keep up with payments for Ford Castle. If you are experiencing difficulties please contact me directly.

Behaviour Policy - As we have now become a Primary School we are in the process of making sure all our policies are up to date. Our Behaviour Policy has been updated and is on the school website. If you have any questions about it please do not hesitate to ask.

Many Thanks,
Belinda Athey - Headteacher .
