

Whittingham
C of E PRIMARY SCHOOL

As it is almost a year since we last consulted with you please join us on Tuesday 16th January at 3.30p.m. for an Annual review of our Homework provision

Teaching staff will be on hand to answer questions about homework.

We would like you to come to the meeting with a view on how we can work together to continue to make our homework and home learning provision the best it can be so that everyone feels supported.
