A final Headteacher's Blog of 2016

A note from Mrs Athey

Dear Parents,

It is almost unbelievable to think that we are quickly approaching 2017 and have almost completed our first term as a Primary School.

I must take this opportunity to thank all the children for their hard work, laughter and fun, to parents for supporting their children with work at home and supporting events in school, enabling us to raise much needed funds to provide all those wonderful extras the children at Whittingham enjoy day in day out.

The Governors also need a mention as they have attended numerous meetings over the past year in the constant pursuit of providing the best possible educational experiences for all children.

Thank you PTA for their relentless pursuit of fundraising enabling the children to receive all those little extras without further financial strain on families.

Finally, thank you to the wonderful staff who work so hard to make Whittingham C of E Primary such a wonderful place for children to learn. Thank you Mrs Fortescue, our Deputy Headteacher who has ably led the school through the Christmas activities in my absence.

Have a wonderful Christmas and a Happy New Year and we will re-open as usual on Tuesday 3rd January 2017.

Reminders

Our fun and excitement continues next week with our performances of Aladdin, Nativity and Carol Service, Christmas lunch (don't forget to wear your favourite clothes on Christmas lunch and party day) and party.

Please look at our lovely school website for calendar updates and photographs.

Merry Christmas!
