# Autumn Activities Board Game

## You will need:

- Counters
- A dice
- Pencil

## Instructions

- Each player starts the game with 20 points.
- Take turns to throw the dice and move your counter around the board.
- When you land on a square, add or subtract the points on that square to or from your score.
- When a player reaches the finish, the player with the most points is the winner.

Keep track of your score here:
