

Orange words

- 1 Take turns to read the information and the words. (If you need a quick reminder of what Orange words are, check p.16.)

Sometimes **y** can make a vowel sound, such as in these words:

rhyme rhythm symbol system forty curiosity

Tip: The word **forty** is often misspelt because the letter **u** in **four** is dropped when the word becomes **forty**.

- 2 Discuss with your partner which vowel sound the letter **y** is making in each word above. Check you agree.
- 3 Write the words from the box above that match the vowel sound and spelling. The first one has been done for you.

ee (as in **see**) spelt **y** _____

igh (as in **high**) spelt **y** _____

i (as in **in**) spelt **y** _____

- 4 Write this number using words: 444

_____ hundred and _____
