Friday 24th September 2021.

Mixed Football League.
Alnwick Partnership of schools

Dear Parent/ Carer,

Thank you for your interest in your son / daughter playing on our mixed Under 11 team and I am pleased to say that They have secured a place on the team!

I am just having details finalised with the other schools about whether spectators will be allowed on school sites and what protocols for COVID safety will be in place but as soon as I have confirmation, I will let you know.

6 other schools across the Alnwick Partnership have signed up and it the season looks like this:

We will aim for a 3.45 Kick off for pick up at 4.30.

Players must have their own boots and shin pads.

Originally it was intended that games would be played on Wednesdays. Some schools are unable to accommodate this so please check dates carefully. Some dates are also yet to be confirmed as I am waiting to hear back from schools.

Mr Athey is unable to be my trusty assistant this year as he is waiting for an operation but will join in when possible as he really enjoyed working with school in the past. Luckily, Mr Charlton will be able to lend his expertise!

I will look to hand out football strips which will then be kept by the players for the season when I am back in school, hopefully next week.

I enclose a Code of Conduct for your child and yourself (incase we return to matches with spectators) to read and sign and it must be returned by **Friday 1st October or your child will be unable to play.**

Really looking forward to it!

Mrs / Manager Athey.
