Devices for Northumberland Pupils

Dear Parents/ Carers,

As Remote Learning Lead I have been asked to complete a questionnaire following up on the provision of IT devices by the DFE/ LA since March 2020. The aim of the two DFE schemes, the LA and school loan system was to ensure that all pupils have access to a suitable device at home (laptop, Chromebook or tablet) and access to the internet.

If your child cannot access a learning device as mentioned above, please could you email me directly (Belinda.athey@whittingham.northumberland.sch.uk) **by Friday 5th November 2021**, so that I can respond before the NCC deadline.

Best wishes,
Belinda Athey - Headteacher
