There will be further information / leaflets on our school website for those parents who are unable to attend. ## School Christmas Performances

By now you will be no doubt enjoying listening to your child sing Christmas songs and rehearse their lines. Thank you for helping us to put on an excellent show by practising at home and by being creative at home if your child needs help with their costume. Year 1 and Early Years performance is in the school hall. The performance of Aladdin is in the Village Hall. Please see school website calendar and dates letters for full details.
