

Headteacher's Blog

Friday 21st September 2018.

Dear Parents/ Carers,

Welcome to our weekly blog. As always, please do not hesitate to contact us by email, in person or telephone if you have any suggestions for ways in which we can make school even better! I look forward to seeing you all in school across the school term.

Best Wishes, Belinda Athey - Headteacher.

Welcome each morning -

Please ensure your child is not left without an adult on school premises before a member of staff is out on duty.

Daily Mile

As I mentioned last week, as the weather gets wetter the ground may not be suitable to run on so I am hoping to find funding to create an all-weather path around the perimeter of the school field. Anyone who knows of local companies that can help us create this or even complete the ground works so all that we have to pay for is the materials and labour for the path please contact me.

MUGA

I hope to be able to give you further information about this next week. Thank you for your patience.
