Tuesday 7th June 2022.

Class 1 Walk Around Whittingham Friday 10th June 2022.

Dear Parents/ Carers,

As part of our science and outdoor learning topic I would like to take the children beyond the immediate school grounds to explore the different plants that grow in Whittingham village and on the riverbank.

I intend to do this on Friday afternoon, weather permitting (within school time after lunch) before our PE lesson (although we may use some of our PE time if we come across some excellent plants!).

The children will be well supervised and will wear high vis vests over their school PE kit.

A permission letter is not required for this trip as at the beginning of the year permission was already granted for local area trips/ visits as part of the information pack that was sent out to every family and returned to us. If you do not wish for your child to take part, please let me know by Thursday 9th June.

Best wishes,

Belinda Athey – Headteacher.

Headteacher: Mrs Belinda Athey
